

Imagine.....

A child dreams of a red football shoe.. And on a happy day, he gets one wrapped in gift paper. He tries it on in excitement, only to find that's it not his size....

importers and Egyptians living abroad.

Together .. to Provide Clothes

**We sort the donated clothes very carefully so that every piece goes to a deserving beneficiary, and every beneficiary gets the most suitable items**

**Clothes are unlike any other donation.**

## Our Campaigns of Joy

Our work at the ECLB  
brings joy and  
spreads happiness,  
when the gift of  
clothing gratifies the  
less fortunate with  
what they need and  
sometimes, what  
they dream of...
